Complete Krav Maga-Darren Levine 2009

Complete Krav Maga-Darren Levine 2010-09

Developed for the Israel military forces and battle tested in real-life combat, Krav Maga has gained an international reputation as an easy-to-learn yet highly effective art of self-defense. Clearly written and extensively illustrated, Complete Krav Maga details every aspect of the system including dozens of hand-to-hand combat moves, over 20 weapons defense techniques and a complete physical conditioning workout program. All the moves are described in depth from beginning Yellow Belt to advanced Black Belt, yet they are easy to learn because one of Krav Maga's strengths is its simplicity. Based on the principle that it is best to move from defense to attack as quickly as possible, Complete Krav Maga offers fast-escape maneuvers from attacks and holds. It then follows them up with specific counterattacks, including punches, kicks and throws. The authors show how anyone (big or small, man or woman) can practice self defense by using Krav Maga to protect weak spots, exploit an assailant's vulnerabilities and turn the attacker's force against him. Complete Krav Maga teaches the reader how to get in shape, gain confidence and feel safer and more secure every day.

Black Belt Krav Maga-Darren Levine 2009

As the official defensive tactics system of Israeli police, military, and elite special operations units, krav maga has proven its effectiveness from front lines and back streets to prisoner transport and "take no prisoners" missions. For the first time, "Black Belt Krav Maga" teaches and illustrates the discipline's most lethal fighting and self-defense moves in book format. These no-holds-barred street fighting techniques are designed to do one thing and one thing only: end a fight as quickly as possible by completely disabling an opponent. Extensive counterattacks are illustrated for the most dangerous situations, including neutralizing attackers armed with guns, knives, and other weapons. The program in Black Belt Krav Maga trains readers to function during the stress and shock of a sudden, violent encounter and react with a perfectly coordinated counterattack--quickly, automatically, and with deadly accuracy.

Fight to Win-Martin Dougherty 2013-10-08

If you are going to fight, you might as well fight to win! This book presents 20 simple fighting techniques that will win any fight, any time! Fight to Win teaches you how to fight with a minimum of technical jargon. It allows you to quickly develop the ability to win by learning a small number of techniques that always work in every situation. This is far more effective than learning hundreds of movements and variations which work only in specific circumstances (and are easily forgotten in the heat of the moment!) With 400 full-color photos and easy-to-follow instructions, this martial arts book presents self-defense techniques such as: The Hammerfist—delivered by straightening a bent arm and striking with the base of the fist The Double Leg Takedown—will make the opponent land so hard he'll be stunned and unable to defend himself The Triangle Choke—uses the opponent's arm and shoulder to compress the carotid arteries and cut off blood supply to the brain and more!

Ninjutsu-Simon Yeo 2011-10-18

Ninjutsu: The Secret Art of the Ninja covers all aspects of this remarkable martial art, including the hidden details within the Ninjutsu forms. It reveals the secrets of how to develop power through body

movement, how to effectively remove an opponent's balance, and how to unify the mind, the body and technique. The author's objective is to improve both the reader's mental and physical skills and to promote harmony between mind and body. A wide-ranging introduction covers the history of Ninjutsu and mental and physical attitude. The following chapters cover principles, fitness and stretching, postures, break falls, Sanshin No Kata, the Kihon Happo, basic and additional techniques, Sixteen Secret Fists, training pointers and advice, and pressure points.

Eskrima-Krishna Godhania 2012-10-01

Eskrima, which is also known as Arnis (De Mano) or Kali, is the indigenous martial art of the Philippine Islands. Dynamic and flexible, with a wide range of training methods it can be practised by students of all ages and levels of fitness. Well known and respected as a highly practical weapons-based system, Eskrima is practised worldwide by civilians, law enforcement personnel and special units within the military. Eskrima uses training weapons (rattan sticks and daggers) from the earliest stages, alongside purely unarmed techniques. These training methods have been found particularly effective at increasing co-ordination and reflexes, providing a fast track to developing the qualities needed for practical self-defence. This fascinating book traces the history and evolution of this art form. It highlights Eskrima's essential principles and concepts. The instructional section illustrates how the Eskrimador is able to succeed in a wide range of combat situations involving fighting with both weapons and open-hands. Techniques, two-person flow drills, self-defence applications, training with specialized equipment, the philosophy of the art and 'self-defence and the law' are all covered in depth.

Krav Maga - Israeli System of Self-Defense: 100 Attack and Defense Movements.-Sergio Nisenbaum 2020-06-12

"A book for everyone". When I first thought about writing this book, I put myself in my student's shoes. The book is written in such a way that is suitable for those with Krav Maga experience, as well as those who are just starting or have recently acquired an interest in the art. The techniques are explained through illustrations and simple didactic texts, making the reading enjoyable and easy to understand. This book is an easy-to-read practical and objective guide to learning movements, fully illustrated with Krav Maga's defense and attack techniques. Containing exercises that start from basic and progress to more advanced situations, you will learn the technical details of each circumstance - after all, in Krav Maga, one detail can make all the difference. This book is also an excellent resource for my students and those who practice the art, as it facilitates the understanding of each of the movements practiced during classes.

Krav Maga Professional Tactics-David Kahn 2016

BECAUSE NOT ALL KRAV MAGA IS THE SAME™ Israeli krav maga is the official self-defense system of the Israel Defense Forces. Krav maga training shares the same principles for civilians, law enforcement, and military personnel alike to deliver them from harm's way. Goals however, are different for law enforcement and military personnel. This book is designed for security-conscious civilians, law enforcement officers, military personnel, and security professionals alike who want to improve their chances of not just surviving an armed attack, but increase the odds of prevailing without serious injury. Krav maga's popularity in professional law enforcement, military, and security circles is attributable to its practicality, simplicity, quick retention, easy learning curve, and brutal effectiveness. This effectiveness is built on a few core tenets and simple building blocks. General principles are applied and customized to suit the needs of a dynamic violent situation. Contents include: Mind-sets, reactions, and tactics in response to violence The highest-level counters against multiple armed attacks and threats Core kick, clinch, and tackle defenses Core ground survival tactics Multiple-opponent strategies and tactics Impact weapon defenses Edged weapon defenses Firearm disarms and retention Includes 954 detailed photographs The most up-to-date tactics presented in this book focus on the most common violent scenarios. These techniques derive from the author's translation of the Israeli Krav Maga Association (IKMA) curriculum. The IKMA is the governing body for krav maga, recognized by the Israeli government and headed by Grandmaster Haim Gidon. Responsible people seek krav maga training as a shield against violence.

Japanese Jiu-jitsu-Darrell Max Craig 2015-02-17

With extensive, step-by-step photographs and instructions, this jiu-jitsu guide is an effective tool for mastering this ancient martial art. The original Japanese martial art developed by the elite samurai class during Japan's feudal era, Jiu-jitsu is the forerunner of Judo and the precursor of today's ultimate fighting styles, such as mixed martial arts (MMA). For centuries, this method of unarmed self-defense proved so successful in combat that it was kept secret and taught only to a select few. Based on the author's study with instructors at the Tokyo police academy, this martial arts book presents all the traditional techniques of Jujitsu, also known as Jiu-jitsu. These techniques teach you valuable restraining methods that force your opponent to submit without abuse by using pressure points. It shows you tips for search and seizure, and the almost extinct art of Hojojutsu—how to tie people up without using any knots. *Japanese Jiu-jitsu: Secret Techniques of Self-Defense* addresses and demonstrates the full range of Kaicho Goshin Budo Taiho Jitsu Ryu (Tokyo police self-defense). Learn specific techniques such as: The use of hands Throwing an opponent Attacking vital points with strikes and kicks The use of weapons (like the staff). Krav Maga-Gershon Ben Keren 2014-12-23

Krav Maga: Real World Solutions to Real World Violence presents a no-nonsense approach to neutralizing attackers in close quarters. Author Gershon Ben Keren explains the philosophy behind the Krav Maga method, which is the basis of the Israel Defense Force's (IDF) devastating close combat system. This book lays out a systematic approach to self-defense and provides illustrated confrontation scenarios paired with tailored practical responses. Accompanied by clear, easy-to-follow photographs,

practical combat skills are described in step-by-step detail, along with the movement patterns needed to make them effective in real-life settings. All of the photos in the book were shot in real-time, demonstrating what realistic movements—both from the attacker's and defender's perspective—look like. Where applicable, techniques have been shot in the scenarios in which they occur such as bars, restrooms, ATMs, etc. The situational components of such violent incidents are explained, so the reader can learn to identify, predict, and avoid violence before it occurs. Contents of this Krav Maga book include: What is Krav Maga? Krav Maga Yashir Introduction to author Gershon Ben Keren Basic Skills (Stances, Movement, Blocking and Striking)—The Timeline of Violence; Controlling Range; Relative Body Positioning; Groin Kick; Driving Knee Self-Defense Scenarios—Knife Disarming; Gun to Front of Body; Abductions and Hostage Taking; Knife Shank; Improvised Weapons Unarmed Assaults and Dynamic Components of Violence—Preventing a Front Headlock; Applying an Effective Guillotine; Defending Knees in a Clinch and more!
